

WILLIE'S WILD-GROWN CHOKECHERRY LIQUEUR

Picked in the wild, crafted by hand.

Sweet and tart like the native chokecherries that grow in the Montana foothills, this spirit offers a balanced flavor perfect for adding a touch of Big Sky flavor to your favorite cocktails. The chokecherries we use are locally harvested near our distillery by us and our friends – some even gathered in our own backyard.

FAVORITE COCKTAILS

MONTANA MANHATTAN

2oz Willie's Bighorn Bourbon
